A Brisbane River experience like no other.

It's official, Brisbane's newest entertainment on the Brisbane River has arrived!
More than a lifestyle vessel, it's the ultimate nautical experience!

Every detail has been carefully considered to ensure we provide the most unique and unforgettable experience. We have something for everybody and every occasion!

We have 3 different experiences:

1. VIP tables - Book a private booth and take your oasis experience to a whole new level, affording you and your guests an exclusive space to enjoy the day - includes tickets, dedicated table, beverage inclusions, and a private host to look after you for the duration of the cruise.

2. Larger group bookings – Be assigned an area which will include a dedicated space with the option to pre-order platters. Please reach out to our events and bookings team to discuss a tailored option for your occasion! Available only on river and middle deck.

3. General admission - Purchase tickets online via our website until departure, unless sold out.. You can purchase up to 10 at a time. Food and beverage are purchased from our a la carte menu on board; seating is limited and first in first served basis. General admission gains customers access to all levels subject to capacity limits. Each level is subject to capacity limits

VIP table seating - please refer to our packages and floor plan*. Extra guests are welcome at an extra cost depending on the ticket price of the event. Please note special event days/public holidays may incur price increase.

Should you wish to book a vip table, your request for a booking will be reviewed by our vip bookings team and is not confirmed until you receive a confirmation by the reservations team. By signing the attached form you agree to be bound by all terms and conditions including our cancellation policy.

Please see our terms & conditions on the next page.
